Copy of letter No.C.7427/TY/55 dated 28-7-1955 from the District Medical Officer, South Kanara, Mangalore to the Director of Medical Services,Madras.

Ref: Your Memo.Ref.No.49086-2 A.2-55 dated 14-7-55.

With reference to your Memo cited, I wish to state that the number of Gazetted Officers in the Medical Institutions in the District has increased considerably due to the conversion of Headquarters Hospital, Mangalore as teaching institutions. It is likely that frequent transfers will be taken place among the Gazetted Officers of our department and their subsequent changes should be known to this office for the purpose of addressing any D.O. letters or making any payment due to them or to collect any recoveries from them.

The Civil list is also necessary to address D.O.letters to other departmental officers who will be transferred from one of Central Government officers of Postal department who are given frequent transfers and consequently the change of their stations will cause inconvenient to address them letters or D.O.letters regarding Medical attendance on the Central Government servants. If the Civil list of gazetted officers is supplied, this will facilitate early disposal of the paper and will prevent risk of delay, misplacement and misdelivery. When I have been the District Medical Officer at Madurai and Cuddalore, those offices have been supplied the copy of civil list of gazetted officers. Hence I request you to kindly arrange to supply a copy of civil list together with copies of Fort St.George Gazette.

Public (C.L.) Deptt.

The letter from the Director of Medical Services on p.1 c.f. and the draft order on p.1 above may be perused. The District Medical Officer South Kanara has requested the supply of a Civil List to enable him to address Central Govt. Officers by letter or D.O. Letters regarding medical attendance. The Director of Medical Services has suggested the supply of a Half Yearly ~~xxx~~ Civil List to the D.M.O. South Kanara in this connection. It is submitted that only the quarterly List of Gazetted Officers will be useful for the purpose referred to and not the Madras Half Yearly Civil List which is only a compilation of departmental lists.

It is further submitted that sanction for the supply of the Civil Lists is made by this Dept. In this connection it may also be mentioned that the revision of the distribution list of the two Civil Lists of this State is under consideration and the main file has been circulated among the depts. for necessary remarks. HELA may therefore be requested to send the necessary extracts to this Department for considering the question of supply of a Civil List to the D.M.O., South Kanara. With these remarks the file may be returned to H.E.L.A.

C.D.J. 3.9.55.

it should be examined whether it is necessary to supply the D.M.O. with a copy of the quarterly List. Other D.M.Os. may also ask for copies.

Submitted. The District Medical Officers of North Arcot, Coimbatore, Malabar, the Nilgiris, Madurai and Tanjore are being supplied regularly with a copy of the Quarterly List of the Gazetted Officers in the Madras State. The D.M.O., South Kanara has stated that the number of gazetted officers in the Medical Institutions in South Kanara has increased considerably due to the conversion of the Head Quarters Hospital, Mangalore as a teaching institution. ~~Probably he means~~ It is found from the Quarterly list that in the Kasturba Hospital ~~for which~~ the Asst Surgeons of the Hd Quarters Hospital act as a tutor in surgeory and a tutor in Madicine ~~have been appointed.~~ Apart from the government head-quarters hospital and the kasturba hospital, there is also one Lady ~~Gos~~chen Hospital in Mangalore. In view of the fact that there are three Govt. ~~Medical~~ Hospitals in Mangalore, and in view of the D.M.O's statement at Y on p 1 c.f. there seems to be a case for the supply of a copy
